Universidad De Las Fuerzas Armadas ESPE

Project Name: LiquorTrack

Team Name: Logical Lords

Members: Issac Acurio, Armas Demian, Enrique Ayala

User Story ID	User Story	Task Name	Task Owner	Priority
US001	As an owner, I want to manage my product stock (record entries and exits and see current quantities) so that my inventory is always accurate.	Develop stock management module	Acurio	High
US002	As an owner, I want to receive low-stock alerts so that I can place orders on time and avoid running out of popular items.	Implement stock alerts	Acurio	High
US003	As an administrator, I want to manage supplier information and track pending orders so that the inventory updates automatically once a delivery is received.	Develop supplier & order module	Ayala	High
US004	As an owner, I want the system to record every sale made by each specific employee so that I can verify sales accurately and know who made each one.	Create employee sales tracking	Armas	High

US005	As an owner, I want to record and manage credit payments so that I can clearly track who owes money and whether their payment has been processed.	Create credit management module	Armas	High
US006	As an owner, I want to generate a daily cash closure report (total cash and expenses) so that I can reconcile daily income accurately.	Implement daily cash reconciliation report	Acurio	High
US007	As an owner, I want the system to apply a 20% profit margin to my products so that I can monitor my financial performance.	Develop profit margin module (20%)	Armas	Medium
US008	As a cashier, I want the system to automatically apply active promotions and discounts so that manual charging errors are prevented.	Implement discount logic	Ayala	Medium

US009	As an owner, I want to view a list of best-selling products so that I know which items to order more frequently and make informed purchasing decisions.	Develop best-sellers report	Ayala	Medium
US010	As a cashier, I want the system to automatically prompt an age verification reminder with each purchase so that the store complies with legal selling regulations.	Implement age verification prompt	Ayala	Medium
